Saturday June 10th and Sunday June 11th

Should a dancer fall, slip or bump into another dancer on stage, whether in solos or in teams, the adjudicator MUST ring the bell thereby stopping the performance of all dancers on stage. Dancers so affected will be permitted to redance and will be marked then at the discretion of each individual adjudicator.

Should in the opinion of the Stage Personnel (in consultation if deemed necessary with medical personnel) a dancer be unfit to re-dance, and if such dancer insists on performing the dancer concerned will only be permitted to re-dance on completion of a formal declaration which removes the organising committee of any liability. Any repeat accident/ incident which results in that dancer being unable to complete the required number of bars in any round, will result in the dancer withdrawing without question from the championship.

If a dancer falls during the last 8 bars of any performance, then he/she will only be required to dance the last 16 bars of that dance again at a time convenient to both the dancers and the stage stewards.

A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator.

A dancer who dismisses himself or herself from the stage without the permission of an adjudicator will not be marked for that particular dance.

If at any stage during a performance on stage an adjudicator feels that, due to the health and safety of a performer on stage that the performance should be stopped, the adjudicator must ring the bell.

Respect for fellow competitors on stage is a requirement always. Lack of respect or courtesy for fellow competitors by aggressive dancing on stage will be subject to penalty at the discretion of each individual adjudicator.

The light rounds from 10 yrs. upwards will be danced 2 at a time and the heavy rounds will be danced 2 at a time from 10 yrs. upwards if time permits. All other age groups will dance 3 at a time.
